KEURIG K1500

Feature-Filled Small Business Brewer

Quiet Brew Technology™

Minimized noise during use.

Large 96oz Reservoir

Brews 12 cups before needing to be refilled – double the K140/K145. Designed for communal use with an easy-grip, durable handle.

Strong Brew

Increases amount of time that grounds are in contact with water, delivering greater extraction for a bolder, more intense flavor.

Improved Brew Engine

More reliable and more consistent temperature control for an optimized brewing experience.

New 12oz Brew Size

Delivers a higher brew size that consumers are looking for.
